

ACKNOWLEDGMENT

We extend our most sincere thanks to all our members for their active participation and unwavering support throughout the FSC-CCOO Foreign Service Trade Union Section congressional process.

[Madrid, 10/02/2025] At CCOO-Exterior, we would like to express our deepest gratitude following the conclusion of our congressional process. On behalf of our team and the new Executive Committee, we truly appreciate the renewed confidence you have placed in our project. Your support has been and will continue to be vital in this new stage, so that we may continue to move forward in achieving our common goals.

For this reason, we wish to extend our heartfelt appreciation to everyone who dedicated their time and effort to participate in this process, as well as to those who, for various reasons, did not have the opportunity to do so. Your trust and support are a source of inspiration that drives us to continue working for a fairer and more transparent Spanish Foreign Service, in which all labor rights and regulations are fully respected, and, ultimately, for a work environment that reflects our shared values and aspirations.

At the same time, we would like to express our profound gratitude to the Federal Legal and Technical Team for their unwavering and diligent support. We also extend our deepest thanks to the Communications Department of our State Federation for their steadfast commitment to raising awareness about the realities of the “PLEX” collective. Your invaluable efforts and dedication are truly appreciated.

Additionally, we would like to express our immense appreciation to the Occupational Health Secretariats of both the State Federation and our own Section for their dedication and tireless efforts during this period. This collaborative approach has been crucial in making significant strides in the legal arena, raising awareness of our situation, and furthering the implementation of an occupational health and safety policy across the PLEX sector

throughout this recent term. Your commitment has been instrumental in driving our progress forward.

At CCOO-Exterior, you will always find a dedicated team ready to listen and open to your suggestions and contributions. We are committed to tirelessly advocating for a Foreign Service that upholds all our rights, fosters a balanced work environment that ensures fair treatment and conditions for everyone, and where each of you can feel the support and warmth of our organization.

Luz María, Carla, David and Osmany.
